
Michelini Brothers, Superlogico

Code

MICH015

A stunning wine with all the fruit you expect from Malbec! Gerardo Michelini calls this his 'Barrio' Malbec, produced from fruit harvested around his Milonguita winery and made with help from his neighbourhood friends (check the label for their faces!).

Tasting Notes:

Typical Malbec aromas of plum and violet are backed up with a savoury, smoky background which is truly enticing. Sweet and spicy on first taste with well structured tannin and plenty of grip.

Producer Overview	<p>There are 4 Michelini Brothers, who are of Italian heritage, and who have revolutionalised Argentine winemaking by going against the norm. They were the first to start picking early to achieve higher acidity as befit th wines made by their Italian forefathers. Their viticulture is mostly organic and sometime biodynamic, but not certified as they tend to use a low sulphur regime. They eschew the use of oak as much as possible and they were the first to use concrete eggs for their fermentation and storage because the believe it gives the wine life and vitality and allows the wines' true characteristic to come through.
